6. OLD BUSINESS

Board Vacancy- Since last meeting, no one has contacted Staff to submit an application for the Board Vacancy. Staff inquired if the Board has contacted or knew of anyone in the District that would be interested in serving on the Board. Staff reminded the Board that the 60 day period for appointment of a new Director will end on February 5, 2008. After February 5th, the County Board of Supervisors could then appoint someone of their choosing to fill the vacant seat. Director Marke thought that his neighbor may wish to serve on the Board, and he was going to contact him. If this candidate was interested in serving, he would be directed to contact Staff to provide a letter of interest. Staff would contact the President of the Board to could call a Special Meeting of the Board of Directors to consider the appointment of a new Director to the Board.
